Profile Print

Be Unique

MAKE YOUR VISION REALITY

1

IDEA

You tell us about your vision, product needs and the quality and sizes you are considering. We help you define the optimal sizes and materials.

2

PRE-VISUALISATION

You provide digital files of your logo and, if relevant, design. We create a digital proposal showing how your artwork will look applied to the particular products.

3

APPROVAL

Only once you have reviewed the proposal and given your approval, we start planning and production.

4

DELIVERY

We deliver your personalised products, as soon as they are made. If required, we can send them to your wholesaler.

Think outside the napkin

In today's globalised world, people want individuality above all - whether it's choosing clothes or where to eat. So, crafting a personalised theme of matching items can greatly help you to win, and keep, their business.

We make this easy to achieve, whatever your needs: we offer a full range of products designed to work with each other - and the ease and security of using a single supplier. That way, you can bring your brand to life in imaginative ways that go far beyond a logo on a napkin.

Profit from our competences

Rely on our longtime experience in regards to designs, materials and logo print. Together with the largest HORECA brands we create successful concepts since many years. We offer logo print including:

- Napkins
- Tablecovers
- Tablerunners
- Placemats
- Coasters
- Boxes and Bowls
- Take-away-cups
- Bags

The way to an individualized product is as easy as it could be.

Follow these steps to see how easy and you can create your individualized article:

Four easy steps

TO THE RIGHT PRODUCT:

- 1 Which product can we print for you?
- 2 Your logo, in which color at which position?
- 3 We create the layout according to your wishes
- 4 10 - 12 weeks after approval you will receive your product
